

SENIOR PASTORS: CHARLES AND ANNE STOCK

Charles and Anne Stock have been the Senior Pastors of Life Center for over 28 years. "It is our privilege to inspire and lead young radicals and the devoted faithful augmented by our friendships with many great ministries. Our desire is that our love will always be generous, our exploits impacting, and that our lives will always be 'stuck on full'."

TODAY'S SPEAKER: JOHN LEACH

As Executive Pastors John and Patty's greatest joys are found in the richness of their relationships, walking beside those with whom God has connected them and watching Him miraculously change the world. They have witnessed the faithfulness of God transform countless lives and impact the next generation. Their love for the local church and desire to build genuine community define their roles since joining Life Center 30 years ago.

TODAY'S WORSHIP LEADERS: RICARDO WHITE AND JON & TIFFANY AITKEN

Ricardo White carries a breakthrough anointing in worship, crossing cultures and generations. He leads our ever-growing worship community with a father's heart, encouraging upcoming worship leaders and musicians to excel at their crafts and become all that God created them to be. He and his wife Liz enjoy time with their adult children and their growing families.

Jon and Tiffany Aitken love to see the presence of God overwhelm people in worship and change their perspectives to one of hope. Tiffany's miraculous testimony of resurrected life echoes through their music and brings healing to many. Together they have three children who fill their lives with joy.
